

Friska Opens in The Paragon, Bristol

Press Release

A new Bristol healthy fast food business which prides itself on producing ethically and locally-sourced foods has just taken a unit in one of the city's most environmentally - friendly office buildings.

Friska has taken the space in the prestigious Cubex Land-built Paragon building in Victoria Street which is one of only a handful in the South West to receive the coveted “BREEAM excellent” rating for its green credentials including low carbon emissions.

Solicitors Thring Townsend has already taken occupation of two floors in the 74,000 sq ft Paragon building, which is jointly marketed by King Sturge and Hartnell Taylor Cook LLP
